

# Hi — We're Triangle ABA!

## About Us:

Triangle ABA is a BCBA-owned and operated Applied Behavior Analysis clinic in Raleigh, NC. We pride ourselves on offering the best care possible for children with autism spectrum disorder.

To do that, we have to have the best people and the best place to work. That's why Triangle ABA has built a culture focused on career growth, leadership opportunities, and professional and personal development. Not to mention competitive pay, healthcare benefits, low staff turnover rates, and a generous PTO package.

## The Triangle ABA Difference

Make an impact on your patients and your profession with Triangle ABA.

- **BCBA Owned and Operated**  
Triangle ABA is one of the only Raleigh-based clinics founded by a BCBA, and our BCBAs play vital leadership roles across our clinic.
- **Low Staff Turnover**  
We are proud to have a 300% lower staff turnover rate than corporate-run ABA clinics, meaning you get to know and grow with your RBTs.
- **Continuing Education**  
We believe in staff growth and development first and foremost. At Triangle ABA, we offer discounts on classes and continuing education.
- **Competitive Pay + Sign-On Bonus**  
We offer competitive salary range for BCBAs, along with a generous sign-on bonus, health insurance, paid time off, and more.
